## THE HOOTERS SAGA

In 1983 six businessmen (and we use that term loosely) opened the first Hooters in Clearwater, Florida. The group known as the Hooters Six were immediately indicted for impersonating restaurateurs. While the charges were later dismissed the stigma lingers on today. Through the years Hooters has grown into a huge international success with restaurants dotting the globe and even a Casino, Golf Tour, Racing Series, Calendar and Magazine to its credit.

With all this success one might think Hooters would lose sight of its humble beginnings. To the contrary we intend to keep dancing with the one that brought us and we know the most important thing is good food and cold beer served by a beautiful Hooters Girl. We are confident you'll enjoy our special brand of food and fun. After all...
